Schedule of Events

5:30pm-6:00pm: Registration

6:00pm-7:00pm: Dinner and Dinner Lecture

7:00pm-9:00pm: Lectures

Lecture Room One

Veterinarians will receive a total of 3 CEU credit hours

6:00pm-7:00pm (During Dinner)

Title: Heartworm—Prevention, Infection and Treatment

Presenter: Andrew Eschner, DVM

Dr. Eschner, a graduate of the New York State College of Veterinary Medicine at Cornell University in 1990, joined the animal health industry as a technical services veterinarian for Rhone Merieux in 1995 and currently maintains the position of Senior Technical Services Veterinarian for Merial in New England.

7:00pm-9:00pm (Lecture A)

Title: Canine Mast Cell Tumors and Canine Oral Melanoma:

Diagnosis and Management, the Old and the New

Presenter: Rance Gamblin, DVM DACVIM (oncology)

Dr. Gamblin is a 1992 graduate of the Mississippi State University College of Veterinary Medicine. He completed his internship at the Veterinary Teaching Hospital at Colorado State University, and his residency at Ohio State University College of Veterinary Medicine, Department of Veterinary Clinical Sciences. Dr. Gamblin is board certified by the American College of Veterinary Internal Medicine, Specialty of Oncology. Presently he is staff oncologist and co-owner of the Akron Veterinary Internal Medicine/Oncology Practice at the Metropolitan Veterinary Hospital in Akron, Ohio.

Lecture Room Two

The NHVTA has approved this lecture for one hour CEU credits

7:00pm-8:00pm (Lecture B)

Title: Tube Talk for Technicians

Presenter: Sarah Noble, DVM, DACVIM

If you are attending this lecture and are waiting for other members of your party who are attending lecture A, please feel free to attend the second half of lecture A at the completion of this lecture.
